

SWISS PARTICIPATION BY MONACO ASSET MANAGEMENT

Monaco, 22nd November 2021

MONACO ASSET MANAGEMENT and CHENTON S.A. reach €5 billion of assets under management

On November 15th, 2021, Monaco Asset Management has signed an agreement with Chenton SA, a Swiss wealth management company based in Nyon, by which, over a period of 4 years, both companies will be operating jointly.

Anthony Stent-Torriani Founder & CEO of MAM, stated: “MAM and Chenton share a very similar business model, focused on European based UHNWI. Chenton SA, led by its Founder Alexander Jurgens, fits perfectly in our model.”

With respect to Chenton SA, Alexander Jurgens noted, “Chenton’s integrity and focus on European clients have been its success for more than 20 years. Joining forces with the MAM team will broaden our investment capabilities and will further strengthen our mutual businesses.”

Gian Luca Braggiotti, Chairman of the Board of MAM added, “For more than 20 years, MAM has been a reference in Monaco for Wealth Management thanks to its competences and ethics. With the participation in Chenton SA, we have become a visible European player.”

About Monaco Asset Management

Since 1999, MAM is an independent wealth management company for private and institutional clients. Specializing on discretionary and advisory management, MAM is fully independent and free from conflicts of interest. MAM is the benchmark in the Monegasque financial sector.

About Chenton SA

Since 2000, Chenton manages portfolios European UHNWI clients on a discretionary basis. Chenton is known for its conservative investment approach. It is an important player in the Swiss community of independent asset managers.
